Health & Safety Policy

We recognise and accept our responsibility to ensure, so far as is reasonably practicable, the health and safety of all our trustees/member/volunteers, contractors, visitors and members of the public who may be affected by our work activities.

It is our aim to promote, set and maintain the highest standards for health, safety and welfare matters.

This will be achieved by:-

- providing adequate control of the health and safety risks arising from work activities;
- consulting with members on matters affecting health and safety;
- providing and maintaining safe plant and equipment;
- maintaining systems of work that are safe and without risk to health;
- ensuring safety during the handling, use and storage of articles and substances which are
- inherently or potentially dangerous;
- providing adequate information, instruction and supervision for staff;
- ensuring all trustees/members/volunteers have sufficient training and are competent to do their work;
- preventing accidents and cases of work-related ill health as far as possible;
- maintaining existing and when required introducing appropriate new measures, to ensure
- safe and healthy working conditions & welfare facilities;
- reviewing and revising this policy as necessary at regular intervals.

We will try to eliminate or control any hazard which may result in personal injury, illness, fire, security losses, property damage or harm to the environment. It is most important that you notify the Club of ANY matters of concern.

The allocation of safety duties and the arrangements to implement this Policy are set out below.

Successful implementation shall only be achieved by compliance with legal requirements, dedication and co-operation of everyone at all levels and provision of adequate funding and resources by the Club.

This Policy requires the co-operation of all members,volunteers and our visitors. The Policy applies to all members and others under the control of the Club, including the volunteers, visitors and contractors.
